Allowed Claims: 1, 3-17

Response to Arguments

Applicant's arguments see Response, filed August 23, 2005, with respect to claim 17, as amended, have been fully considered and are persuasive. The Examiner's basis for allowability for independent claim 17 is the same as those set forth within that Response. The rejection of claim 17 has been withdrawn.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103.

Specifically regarding independent claim 1, none of the prior art alone or in combination disclose or teach of a magnifier device in combination with a portable video display device including a main housing and a flip up display member wherein the magnifier includes a base member and is rotatable relative to the base member and is connected to the base member by spaced apart linking arms, specifically wherein the magnifier is moved from a first stored position where the magnifier is located adjacent and flush against a back surface of the base member to a second open position raised above the base member at a spatial location opposite the back surface of the base member.

Specifically regarding independent claim 5, none of the prior art alone or in combination disclose or teach of a magnifier device in combination with a portable video display device including a main housing and a flip up display member wherein the magnifier includes a base

member and is rotatable relative to the base member and is connected to the base member, specifically wherein the base member is directly connected to the flip up display member.

Specifically regarding independent claim 14, none of the prior art alone or in combination disclose or teach of a combination magnifier device and a portable video display device including a main housing and a flip up display member wherein the magnifier includes a base member and is rotatable relative to the base member and is connected to the base member, specifically wherein the base member is directly connected to the flip up display member.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
